DCH Wappingers Falls Toyota Wins #1 NY Toyota in Customer Satisfaction from DealerRater.com

2013 DEALER OF THE YEAR
 TOYOTA - New York

WAPPINGERS FALLS - There's nothing more satisfying than being acknowledged for a job well done. Everyone deserves an "Atta boy!"...now and then...and when one happens, you want to shout it from the rooftop.

And so, not to toot our own horn... (pun intended) but we simply had to share: we've been voted #1 for the second consecutive year as top Toyota dog in New York State in customer satisfaction through the prestigious DealerRater.com, the online authority for customer reviews.

What does this mean? It means that we've consistently and successfully demonstrated excellent customer satisfaction...enough to get the attention of the folks at Dealer

Rater, who wanted to commend us with an "Atta boy!"

At DCH Wappingers Falls Toyota, we believe that "Delivering Customer Happiness" begins with our proven "hassle-free" process. With dedicated salespeople who don't work on commission, buying a vehicle becomes more about the experience...and ensuring that every customer drives away with their perfect ride.

We are both proud and honored to accept this award and we look forward to the future (in our brand spanking-new, state-of-the-art facility...due to be completed in 2014!), continuing to provide only the very best in customer service.
